MASS MEETING OF UNION MEN

**Move By Merchants and
Manufacturers Said to Be
Prejudicial to Labor, and
Meeting Is Called to Dis-
cuss Problem**

To oppose a movement on the part of the Merchants and Manufacturers, they claim is prejudicial to organized labor, the unions and their friends will hold a mass meeting Sunday at the Trades Council hall at 2:00 p. m.

The action of the unions was taken in response to the circulation of a paper by the M. and M. among local businessmen, declaring for the open shop. The unions, taking this to mean an endorsement of non-union labor, are preparing to combat it. The executive board of the State Federation of Labor, composed of J. L. Donnelly of Miami, R. R. Bliss of Clifton, M. J. Lynch of Ajo, Jack Angus of Tucson will attend the mass meeting, together with President Wilkinson and Secretary French.

The mass meeting, it is understood, will discuss means of solving what is taken to be a serious problem by the union leaders, but no intimation of what the course may be, was given out yesterday.

Sargent, Miss Hilda Steingeger and Miss Hannah Eggleston, sopranos; Mr. Howard F. Ewing, tenor; and Mr. Delwin P. Jewett, bass.

The pupils sang with repose and gave artistic renditions of their various selections. Every word of the text was distinctly enunciated and their work, as a whole, showed the result of very careful training under the competent supervision of their teacher.

**BUICK MOVIE OF
BEAR VALLEY TRAIL**
**COTTON COMPANY WIN
SUIT; APPEAL TAKEN**

Difficulties of the Bear valley trail in California will be shown in a motion picture, secured for presentation here this week by the Babbitt-Polson company, Buick agents. The picture shows a light six Buick trucking the trail from Los Angeles through the desert and finally into the picturesque hills, where roads and trails had been recently wiped out by a terrific storm.

With much ingenuity, Joe Nikrent and his companions succeeded in pushing the little Buick through seemingly impassable places. There were times that there was no bottom, and nothing but spongy earth. Again, they crossed streams and bucked snowdrifts until one would imagine that the little car would break its back at any moment, but it didn't. It went on and on; in fact, each of the boys had a wager up that the Buick would be the first car to Bear valley this season, and it was.

The picture, in itself, is very instructive, and it holds undivided attention from beginning to end. It is to be shown at the Columbia theater Friday and Saturday, this week, both at matinee and evening performances.

The jury rendered a verdict in favor of the plaintiff in the sum of \$736 in the case of the Arizona Egyptian Cotton Company against Cowder Bros. and Babbitt Bros.

The suit has been long drawn out, four days having been utilized in hearing the evidence. The arguments were submitted to the jury yesterday afternoon and a few moments later the jury returned a unanimous verdict.

Cowder et al whose counter claim against the company was for something like \$2000 immediately gave notice of appeal.

DOWNERS ON TOUR—W. R. Downer of Downer's pharmacy, accompanied by his family, spent yesterday in Phoenix. They are touring the west, and will spend several months in the scenic northwestern part of Arizona.

is to be shown at the Columbia theater Friday and Saturday, this week, both at matinee and evening performances.
